TELLURIDE WINS FIRST VICTORY

Completely Outclasses Crippled Locals—Dubel Team May Play No More Games.

The Telluride bunch of ball tossers took revenge on the local bunch and gave them a sound drubbing yesterday afternoon. The score was 10 to 4. Stephens, the one-armed pitcher for the locals, was unable to keep Telluride from fattening their batting averages off his delivery. Any time a hit was not forthcoming one of the locals made a timely error which brought runners home with a frequency that left no doubt of who would win early in the game. The local team was again badly shattered, playing almost anybody almost any place.

John Dubel announced last evening that he was about tired of trying to support a ball team in this town. Dubel says that some of the best players on his team cannot get away from work to play the games. This greatly weakens his line-up and when it comes to playing games, substitutes who are not up to the standard have to take the places of his regular men. John says he has lost but three out of the twenty games played this season, which is a pretty good record. During the last three games he has had to use any player he could pick up, which accounts for the poor games the team has played.

JOHN L. PUTS UP HIS DUKES

Salt Lake Sees Champion of All Champions for First Time in Many Years.

Fight fans of the latter-day game, when commercialism cuts more figure than the honor of winning, saw the foremost figure in the world's pugilistic history, John L. Sullivan, box three rounds with Jake Kilrain at the Salt Palace last evening. It was a sight of the man whose name will always be remembered when other champions are dead and gone that drew the crowd. They came with their wives and families to see the great John L. Sullivan, box three rounds with Jake Kilrain at the Salt Palace last evening. It was a sight of the man whose name will always be remembered when other champions are dead and gone that drew the crowd. They came with their wives and families to see the great John L. Sullivan, box three rounds with Jake Kilrain at the Salt Palace last evening.

Weighting near three hundred pounds, Sullivan is still active for his weight and age, but his boxing days, or rather his pugilistic career and in this he was not disappointed.

Welshing near three hundred pounds, Sullivan is still active for his weight and age, but his boxing days, or rather his pugilistic career and in this he was not disappointed.

For seventy-five rounds on a hot July day these two men fought for the world's championship at Richburg, Miss., nearly twenty years ago. Last night the same two men faced each other in a friendly boxing bout at the Salt Palace, the best of friends in what will probably be their last public appearance in this part of the country.

Sullivan is still the popular idol with the people and will probably be as long as he lives. Outside of the curiosity of seeing John L. in action, his monologous stunts is really the interesting feature of the hour on the turf, a small purse, but a strong voice and tells some mighty good stories. He is there with his ready Irish wit and keeps the crowd laughing while he holds the center of the stage.

Pictures of the Corbett-McCoy and Jeffries-Pittsimmans fight are shown on a screen between Sullivan's stunts. Tex Rickard, the Goldfield fight promoter, was one of the spectators.

William Pierce Says Articles Checked Were Not Returned.

William Pierce has filed suit in the city court against the Salt Lake Beach company for \$25.00, the value of articles he says he lost at the check room of the bathing resort.

He said that on July 21 he went in bathing at Salt Lake beach, leaving a \$25 gold watch, a \$25 fob and locket, and \$3.50 in cash at the check room. When he had taken his bath and asked for the return of the articles he said the attendant refused to comply with his request and the company has since refused to deliver to him the things he left in its keeping.

RUBE SMITH IS GIVEN DECISION

Bests Frank Mantell in Twenty-Round Boxing Bout at Ogden.

(Special to The Herald.)

Ogden, Aug. 19.—Rube Smith of Denver was given a decision at the end of the twentieth round over Frank Mantell of Pawtucket, R. I., at the Glenwood saucer track tonight by Referee Tom Painter.

The fight was one of the fastest held in the state in the welterweight class in many years. Smith, who was the aggressor, gave Mantell a terrible amount of punishment, but the Rhode Island man stood up well before the blows. During the first six rounds the men exchanged blow for blow direct from the shoulder, and the fans were given an exhibition of clean, hard fighting. In the seventh round Smith drew the first claret with a clean right upper-cut from the Denver lad, and kept his chin on Smith's shoulder during the remainder of the fight.

At the end of the ninth round, Mantell was very groggy and as if he was ready to go down, but the gong saved him. In the tenth round Mantell came up with plenty of fight in him, and rushed Smith for the first half of the round, but the Denver man aroused himself and came back with a stream of blows, both right and left.

The rounds were divided about as follows: Mantell, 1, 3, 18, 19; Smith, 4, 6, 7, 8, 11, 12, 15, 16, 20; even, 2, 5, 10, 13, 14, 17. It was learned at the conclusion of the fight that Smith had sprained his left hand in the sixth round and his right hand in the eighth round, which he stated prevented him from landing a knockout. His hands were badly swollen when the gloves were removed by a physician who had been called.

Referee Painter's decision met with general favor among the fans.

S.S.S. KILLS THE GERMS OF MALARIA

When the germs of Malaria get into the blood they destroy the rich, nutritive qualities of this vital fluid and reduce it to such a weak, watery condition that it is unable to furnish the system with the nourishment and strength necessary to keep it robust and healthy. The complexion grows pale and sallow, the appetite fails, digestion is deranged, a bilious condition of the system is set up, and often chills and fever make life miserable for the person in whose blood this insidious poison has taken root. There is but one way to rid the system of Malaria and that is to purify the blood of the germs of the disease, and S. S. S. is the remedy to accomplish this. It goes down into the circulation, destroys the germs, purifies and strengthens the weak, watery blood, making it a rich health-giving and health-sustaining stream, and makes a lasting cure of Malaria. Malarial persons will find S. S. S. not only a prompt remedy but a pleasant acting one, as well as certain cure for this debilitating disease. Besides removing the cause of Malaria S. S. S. builds up every part of the system by its fine tonic effects. Book on the blood containing information about Malaria, and any medical advice desired free to all who write.

Lost Manhood

OUR FEE IS \$12.50 In Any Uncomplicated Case.

Don't Be Discouraged. Don't Give Up Hope. There is Help for You. Act Today.

In our very extensive practice we have learned a few truths that are undeniably of interest to EVERY MAN. First of all, we find that the very serious and so-called "incurable" cases are due usually to NEGLECT and DEBILITY. Again, we know that many men suffer FOR YEARS and practically RUIN THEIR HEALTH FOREVER trying to dose themselves with some patent nostrum that never cures. And further, it is evident that many men will run to what they call "cheap" treatment. NO TREATMENT AT ALL IS what "cheap" treatment means in nine cases out of ten. The last state of the man is worse than the first. Just how you go about it is further in this amount. Stop and ask yourself as to whether YOU are following in the foolish footsteps of the man who NEGLECTS himself. Are YOU trying to cure yourself with nostrums? Are YOU looking for treatment that will not cure? If you are, it is certain that you will regret it. It IS NEVER TOO LATE to get on the right path, but at the same time remember that you cannot get there too soon. The best help in the world is none too good for you; you cannot get it too quickly. We offer it to you at the lowest fees possible.

YOU CAN PAY WHEN CURED. WE CURE PERMANENTLY
